Sub. / delay in receiving USPTO letter

Dear Sir ,

This day I have received your latest letter which was dated on 08/06 /03 , meaning it has been delayed for more than 2 months in US post, as this is checked by the Swiss post. However it seems to be strange case, but it is happened while holding a mail stamp of NY..! Would you please recommend to check with US mail about why such a delay happened. Nevertheless, would you reconsider the mailing date to be on October for the purpose of "reply period" as a sufficient time since it wasn't my fault for the delaying of this letter. Thanks and best regards ...
